SYNTHETIC GRASS SUPPLIER

GLACIER ELITE

SKU: GLACIER-ELITE

Glacier Elite rivals freshly fertilized, rich and healthy grass like no other synthetic turf. This is ascribed to the energetic field and apple green yarn combo in addition to the turfs S&C shaped blades that are both extremely durable and also keep the surface temperature a regular 15 degrees cooler to the touch. With all of these factors in hand this turf is indisputably the highest performing product that we carry.
